

what's new: sweater season

ALFANI®

Trend Report

Alfani elevates this cold weather staple from basic to sophisticated with new silhouettes, updated patterns, and embellishments. The collection includes sweaters perfect for any occasion, designed to deliver a polished, professional look and casual style for weekend fun.

M

ASK A QUESTION:

"Are you shopping for a sweater to wear to work or a more casual one for the weekend?"

A

GIVE ADVICE:

"Yes, you can wear an embellished sweater to the office, but go easy with the accessories."

G

I

INSPIRE TO BUY:

"Now, you just need a pair of skinny pants to go with that tunic sweater. Together they'll give you a more flattering silhouette."
